My favourite room is my bedroom. It's really small!!! There's just a bed and a small wardrobe. There isn't a TV and there isn't a desk but there's a big window. My bedroom's just great for me! I love it!

The living room is really a cool place in my house. It's between the kitchen and the bathroom. There's a big sofa and a modern LED TV. There are two plants on a bookshelf and there's a mirror on the wall. There's also a rug on the floor for Benji, my dog.

My favourite room is definitely the kitchen. There is a big table with six chairs, one for each member of my family: mum and dad, my sister and my brother, our grandma and me. There isn't a TV in our kitchen but there are three posters on the wall with some cool messages: *Do exercise, Don't eat junk food and Drink a lot of water. LOL!!!*
