Cool Fashion!

Are you into fashion? Teens can sometimes be obsessed with the way they look. In this month's edition, **Cool Fashion!** asked three readers to talk about the way they dress.

<div> <div></div> <div>Paul, 16</div> </div> <p>I usually wear comfortable practical clothes, but when I go to a party I look for clothes that are the latest fashion. And when I haven't got any money, I borrow clothes from my friends or my brother.</p>	<div> <div></div> <div>Sue, 15</div> </div> <p>I like wearing clothes that are the latest fashion and I can spend more than £200 on a dress or a pair of sunglasses, but I'm not really obsessed with that. When I haven't got any money I just look for things on sale.</p>	<div> <div></div> <div>Will, 18</div> </div> <p>My parents say fashion is just a way for designers and shop owners to make money, but to me it's really important. I want to look good when I go out with my friends. I feel terrible if I notice my clothes are out of fashion!</p>
