TRACK 1 – Transcript

Jamie: *Matt, what was your first job?*

Matt: *I worked with video games in Brisbane, Australia. It was a great job.*

Jamie: *So why did you decide to quit?*

Matt: *Because I wanted to explore the world. I saved up some money and went on an adventure.*

Jamie: *When was your first trip?*

Matt: *In 2003. That was when I created my website and filmed the places to show my family and friends.*

Jamie: *And the idea of dancing? Whose idea was that?*

Matt: *It wasn't mine. It was a friend's idea. I recorded my first video, and some people saw it and offered me a contract to dance around the world. That was in 2005.*

Jamie: *How many places did you visit on that trip?*

Matt: *I visited thirty-nine countries on all seven continents in six months. I danced a lot!*

Jamie: *And what were your favourite places?*

Matt: *Well, I visited so many places! I guess my favourites were probably Angkor in Cambodia, Las Vegas in the USA and I liked Cape Town in South Africa too.*

Jamie: *What are you doing at the moment?*

Matt: *Well, I still work with video games in my hometown, Seattle. I work as a writer and a designer, but I prefer travelling.*

Jamie: *You are an inspiration, Matt. Thank you very much.*
