# The Dubai Mall

Dubai is in the United Arab Emirates. It's in the desert, and the weather is usually very hot. Some months it can be hotter than 40°C. When it's hot, doing outdoor activities can be uncomfortable. To stay cool, many people do indoor activities such as shopping. One of largest shopping centres in the world is the Dubai Mall.

The Dubai Mall is huge. It is bigger than 50 football fields, and it has got an average of 60 million visitors every year. Some years it has got more visitors than cities like New York or Los Angeles!

The shopping centre has got 1,200 shops and one of the world's biggest sweet shops. It has got 120 restaurants and cafés and a cinema with 22 screens. It has got a hotel, an indoor theme park, an ice rink and an aquarium. The aquarium has got more than 33,000 sea animals. Some people say that this shopping centre is the best shopping experience in the world!
