

### Track PB 19

**Teacher:** OK, class, look at the picture in your books. What kind of animal is this?

**Boy:** Is it a shark?

**Teacher:** Yes, it is! What type of shark is it? What's it called? Do you know?

**Class:** No!

**Teacher:** It's called a pygmy shark. Now, how big is it?

**Girl:** Not very big.

**Teacher:** That's right. Pygmy sharks are not very big. They're only about twenty centimetres long. Now, where does it live?

**Boy:** In the sea.

**Teacher:** That's correct. It lives in the sea and it eats small fish. How fast is it?

**Girl:** I think it's very fast.

**Teacher:** You're right. It's very fast.

**Girl:** Wow!
