 Isabella's sixteen years old and she is a student in Seattle, the USA. She has got a busy daily routine. She gets up very early on weekdays, at about 6:15 am. She has a shower and then she has breakfast with her parents. She goes to school at 7:15. Classes start at 7:45 am. She has lunch at the school canteen and then she does some extra curricular activities until 5:30 or 6 pm. For example, on Mondays and Wednesdays she goes to the photography club and guitar lessons. On Tuesdays and Thursdays she practises hockey with the school team. Fridays are her favourite days because she gets back home early (at 3:30 pm) and she relaxes and has fun. She just loves chatting online with her friends and playing video games.
