**Visit Mendoza!**

Do you like wine, culture, mountains and adventure? In the middle of the mountains, Mendoza is one of the great wine capitals of the world and a great place to explore wine, food, and the Andes Mountains. There are plenty of things to do in and around Mendoza: visit the local wineries, stay in one of a range of luxurious hotels, take a tour on foot, or on horseback, try fly fishing or olive oil tasting. You could even find yourself whitewater rafting and tasting great wines on the Mendoza River on the same day. You can also try mountain biking, hiking, trekking or skiing. And, of course you can have the finest in Argentinian dining or go to local pubs, bars or clubs and explore every aspect of Argentinian culture in between. Visit the striking cathedrals and interesting museums the city has to offer. Immerse yourself in Mendoza: winery tours, adventure tours, city tours, olive oil tours, and a combination of all of the above abound in the city and wine country. Mendoza offers all the adventure you can imagine!
