Cool Fashion!

Are you into fashion? Teens can sometimes be obsessed with the way they look. In this month's edition, **Cool Fashion!** asked three readers to talk about the way they dress.

<p> Sarah, 17</p> <p>If I like something, I buy it. I have got lots of expensive clothes but I also look for clothes on sale. I always ask my parents for clothes on my birthday, and for Christmas. Sometimes they give me money so that I can buy what I like.</p>	<p> Julie, 14</p> <p>I don't really care about clothes. I just like my clothes to be practical and comfortable. My mum sometimes buys me clothes that she thinks will make me "look like a girl", but I just give them to my friends.</p>	<p> John, 16</p> <p>I don't care about clothes very much, but I must confess I am really obsessed with trainers. I have got more than 20 pairs! Some were really expensive and I have got five or six pairs that are completely out of fashion, but I don't care. I like them all!</p>
