TRACK 4

Alicia: *Hi, Sylvia. What's up?*

Guess what? I'm going to go camping in California over the summer vacation with my family. Dad, Mum and I are going to spend two weeks together. We're going to stay at a campsite called Jalama Beach County Park in Santa Monica, California. This campsite is on the beach so we're going to go surfing and fishing every day. Would you like to come with us? I also invited Michael and he said yes. It is going to be great fun 'cause we aren't going to stay in the motor home with the adults. We are going to sleep in a tent!

Isn't it great?

Say you'll come with us, please.
